

## ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and Massachusetts Neurologic Association. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

## AMA CREDIT DESIGNATION STATEMENT

The Massachusetts Medical Society designates this live activity for a maximum of 4.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## TARGET AUDIENCE

This program is aimed toward practicing academic neurologists, fellows, residents, medical students, and other physicians.

## MNA EXECUTIVE COMMITTEE 2015–2017

Eduardo Garcia, MD, *President*

Marcus Yountz, MD, *President-Elect*

Anil Nair, MD, *Secretary*

Richard Selbst, MD, *Treasurer*

Anna DePold Hohler, MD, *Immediate Past President*

Anindita Deb, MD, *Senior Councilor and  
Social Media Representative*

Matthew D. Gold, MD, *MNA Delegate to  
MMS House of Delegates*

Alan Kurland, MD, *MMS Interspecialty Committee  
Representative*

Judith Fine-Edelstein, MD, *Member-at-Large*

Gigi Girgis, MD, *Member-at-Large*

Thomas Mullins, MD, *Member-at-Large*

Abbas Kharal, MD, MPH, *Chair, Residents and  
Fellows Committee*

Oleg Yerokhin, MD, *Residents and Fellows Committee*

## PROGRAM DESCRIPTION

Neuromodulation is an emerging field that encompasses a number of disciplines in neurology including Parkinson's disease, epilepsy, pain, and others. This activity will address the different types of neuromodulation, potential targets, and mechanisms of action, indications, and contraindications.

## PROGRAM OBJECTIVES

Upon completion of this educational activity, participants shall be able to:

1. Describe the role of Neuromodulation in the treatment of epilepsy, Parkinson's disease, chronic pain, and mood disorders
2. Explain the Mechanisms of action of neuromodulation
3. Assess indications for deep brain stimulation in Parkinson's disease, responsive neuro stimulation for epilepsy, spinal cord stimulator for chronic pain, and transcranial magnetic stimulation for depression.

## ARE YOU AN MNA MEMBER? JOIN US TODAY!

Join the Massachusetts Neurology Association today and engage with our mission to improve the level of care we provide to our patients. Some of the benefits include:

- Discounted professional development events
- News and opportunities
- Occasions to meet, connect, and network with peers
- New therapies and technology innovations

Visit our website at [www.massneuro.org/join-mna](http://www.massneuro.org/join-mna) and apply online today!\*

- Active — \$100.00 (USD)
- Resident/Fellow — Free

\*Subscription period: one year, starting January 1

## SPEAKERS

### Emad Eskandar, MD

Chief of the Section of Neurosurgery, Massachusetts General Hospital

### Okeanis E. Vaou, MD

Assistant Professor of Neurology, Boston University

### Barbara C. Jobst, MD

Dr. med, FAAN, FAES | Professor of Neurology, Director, Dartmouth-Hitchcock

### Michael Perloff, MD, PhD

Assistant Professor of Neurology, Interventional Pain Management, Boston University Medical Center

### Alvaro Pascual-Leone, MD, PhD

Professor of Neurology, Harvard Medical School

### Joi Ito

Director, MIT Media Lab, Professor of the Practice at MIT

## TRANSPORTATION

### Parking

Valet Parking is available. Lower rates can be found at nearby locations. You might book and prepay your parking at [www.spothero.com](http://www.spothero.com).

### Subway Station

The closest subway stations are Copley Station (on the Green Line) and Back Bay (on the Orange Line). Both stations are within one block of the hotel. The MBTA begins service daily from 6:00 AM to 1:00 AM. The schedule varies based on line, day of week, and reliability of the train schedule.

Jointly provided by the Massachusetts Medical Society and the Massachusetts Neurologic Association

## 2017 ANNUAL MEETING

Saturday, March 25, 2017 — The Westin Copley Place Boston,  
10 Huntington Avenue, Boston, MA 02116

## AGENDA

**8:30 AM Registration Begins; Coffee with Exhibitors; Posters Set-Up**

**8:55 AM President's Welcome**

**9:00 AM Functional Neurosurgery and Neuromodulation**

Emad Eskandar, MD | Chief of the Section of Neurosurgery, Massachusetts General Hospital

**9:45 AM Deep Brain Stimulation in Movement Disorders**

Okeanis E. Vaou, MD | Assistant Professor of Neurology, Boston University

**10:30 AM Coffee Break; Posters and Exhibit Displays**

**10:45 AM RNS, VNS and DBS in Epilepsy**

Barbara C. Jobst, MD, Dr. med, FAAN, FAES | Professor of Neurology, Director, Dartmouth-Hitchcock

**11:30 AM Stimulating Chronic Pain**

Michael Perloff, MD, PhD | Assistant Professor of Neurology, Interventional Pain Management, Boston University Medical Center

**12:15 PM Lunch; Posters and Exhibit Displays**

**12:45 PM Poster Awards**

**1:00 PM Noninvasive Brain Stimulation (TMS and tDCS, tACS, tRNS)**

Alvaro Pascual-Leone, MD, PhD | Professor of Neurology Harvard Medical School

**1:45 PM Whiplash: How to Survive Our Faster Future**

Joi Ito, Director MIT Media Lab, Professor of the Practice at MIT

**2:30 PM MNA's Business Meeting**

**3:00 PM Meeting Adjournment**

## REGISTRATION

Name \_\_\_\_\_

Affiliation \_\_\_\_\_

Address \_\_\_\_\_

Email \_\_\_\_\_

Phone \_\_\_\_\_

### Registration Fees:

MNA Member \$40

MMS Member \$40

Non-Member \$60

Resident, Fellow, or Student FREE

Enclosed is my check, made payable to the Massachusetts Neurologic Association for \$\_\_\_\_\_.

### Please return this form to:

Massachusetts Neurologic Association  
PO Box 549132  
Waltham, MA 02454-9132
